

Help us give hope

Acts 435 is an online giving charity, directly connecting those who want to give with those who are in genuine need of their help, through a network of local churches and charities.

“ When I contacted the Acts 435 Advocate for help I was in a desperate place as my gas had already been turned off and my electric was heading in the same direction. I was flabbergasted. I was given the help so quickly. Thank you all so much for donating towards my request. I know it was a small amount, but to me it seemed like hundreds. While there are still people in this world that care, there is still hope. ”
